

Anaya Yorke

New York, NY · 540-718-5451 · hello@anayayorke.tech

Available to start immediately

Summary

Aspiring project manager with four years of coordinating people, partners and deadlines, excited to grow in EdTech.

Education

Georgia Gwinnett College

B.S. Information Technology (Software Development) · Minor in Business

Expected Dec 2026

Remote

Relevant coursework: Intro to Business, Marketing, Data Analytics, Statistics, Software Testing and QA

Experience

PIXL · Vice President and Partnerships Lead

joinpixl.org · Mar 2026 – Present

- Built and managed partnerships with schools like Georgia Tech and MIT and orgs like XR Bootcamp and ICXR
- Part of the team that secured \$12,000 in GDC scholarships, sending 10 university women to GDC 2026
- Managed communications, updated the website with HTML and CSS, and built decks for partner events like immerseGT

NeuroNYC · Fundraising and Grant Writing Volunteer

New York, NY · Aug 2025 – Present

- Research and identify relevant funders and donors, then draft and send personalized outreach emails
- Write and submit grant proposals and support budget planning for the organization
- Built an investor pitch deck and analyze fundraising data to decide who to prioritize next

NeuroTechX · Student Partnerships

Remote · Dec 2024 – Aug 2026

- Managed communication with 20+ university neurotech clubs and made sure every club stayed active
- Helped coordinate events with college clubs across the NeuroTechX student network
- Created the *Buzz in Review 2025* deck, turning a year of neurotech research into plain-language monthly highlights

GGC Anatomy and Physiology Lab · Instructional Video Creator

Part-time · Jan 2026 – May 2026

- Filmed and edited 15+ captioned instructional videos in Premiere Pro, Canva and Photoshop, matched to college branding

Intercollegiate XR (ICXR) · Social Media and Newsletter Manager

icxr.substack.com · Oct 2025 – May 2026

- Co-wrote 3 issues of the *ICXR Monthly* newsletter on Substack and managed the LinkedIn company page

Society of Women Engineers at GGC · Founder

@swe_ggc · Aug 2022 – Dec 2025

- Founded GGC's first engineering club, growing it from an informal group of 4 into an official chapter
- Managed communication with the college and SWE, and coordinated with Georgia Tech and UGA clubs
- Ran social media and marketing, created a branding kit, and used Google Analytics to track engagement

Women in Technology at GGC (WIT@GGC) · Vice President

Lawrenceville, GA · Aug 2022 – May 2024

- Part of a 9-person officer team that planned a semester of 4 events, including a Linux workshop and the Optiv hackathon
- Promoted the annual WIT scholarship and on and off-campus opportunities to members

Featured Projects

Gradescope Submitter · Project Manager and UX Designer

[Docs site](#)

EdTech tool that lets students write, test and submit Python code to Gradescope directly from D2L Brightspace quizzes

- Planned and tracked team tasks in Jira from kickoff to final delivery
- Collected user feedback, troubleshoot issues and prioritized platform updates based on user experience
- Created the branding, built the docs site with HTML and CSS, and presented the final results in PowerPoint

Sea Level Trends Analysis · Data Analysis

[GitHub](#)

Cleaned and analyzed NOAA tide station data with command line tools, Hadoop MapReduce (Java) and pandas
